Lt. General A. P. Clark, USAF  
Superintendent  
United States Air Force Academy  
Colorado 80840

Dear General Clark:

Thank you so much for your courtesy in receiving me during my recent visit to the Air Force Academy. It was a great pleasure to see the Academy and to meet and dine with the cadets. I also appreciated the after-dinner discussion with the cadets and Political Science and Philosophy faculty regarding some of the contributions intelligence can offer to our national defense.

It was good fun, and many thanks.

Sincerely,

/s/ W. E. Colby
